GDMISA

The Greater Des Moines Ice Sports Association, of which the Buccaneers are a member, was formed by an enthusiastic group of ice sports lovers a few years back to ensure that there would always be an indoor arena in the Des Moines area. Unlike most other large communities, our rink is not publicly funded. It stays open year after year through the efforts of GDMISA members and area businesses who have offered such wonderful support.

GDMISA, or "Guh-dim-sa" as it's called, is made up of these diversified user groups: Amateur Youth and Senior Men's Hockey, the Des Moines Figure Skating Club, Urbandale/Des Moines Public and Valley-Dowling High Schools Hockey Clubs, and Drake's Hockey Club. These groups, together, "own" the Buccaneers franchise. It is our largest

single source of income. That's why your support of the Bucs is also support for the youth of Polk County.

There isn't much idle time on the ice surface at the Ice Arena. From late August to Mid-March there is seldom an hour that you can pass the arena and find it not being used. The Drake Hockey Club plays here. Retarded and handicapped citizens skate here. Figure skaters and hockey players who are scarcely old enough to walk, skate here. And you can skate here, too. There are public skating sessions every weekend. Great exercise. . . and great fun!

For more information about GDMISA and all the activities at the Arena, contact the office at 278-9757.

Come on out and join us!

Meet the Bucs' Coaching & Training Staff:

Jim Wiley

**Head Coach &
General Manager**

Jim, a native of Sault Ste. Marie, ON, is beginning his fourth full season at the helm of the Buccaneers.

Jim earned BA degrees in Psychology and History at Lake Superior University and a Masters in Athletic Administration while playing and coaching for the Tulsa Oilers in the Central Hockey League. He coached the USHL All-Star Team to second place in the Coupe Beard Tournament in Switzerland April, 1988.

Jim and his wife Chris reside year-round in Des Moines. Their son Jim is a rookie pitcher in the New York Yankees organization..

Kevin Kahoot

Assistant Coach

Kevin was born and raised in Kenora, Ontario. After his high school hockey he played two years of Junior "A" and five years of Senior "A" in Canada. He joins the Buccaneer coaching staff after helping coach the Valley/Dowling High School team to two consecutive state championships.

He spends his summers in Canada with his wife, Giselle, where they own and operate a fly fishing and hunting lodge. They are expecting their first child in February.

The Bucs are happy to have Kevin on the staff.

Dick Kopitsch

Recruiter

Dick is a behind-the-scenes individual who is a great contributor to the success of the Bucs. For several seasons he has scoured the upper Midwest for Coach Wiley in search of the best hockey players available. Many of the members of this year's team were first noticed by Dick's trained eye.

Dick played college hockey at Michigan Tech and has coached several bantam, midget and junior teams to national championships. He is the father of former Buccaneer defenseman, Ray Kopitsch, who played here from '86 to '88.

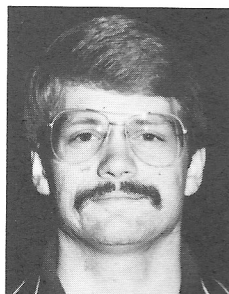

Paul Erikson

Assistant Coach and Scout

A familiar face to many Des Moines hockey, Paul was an outstanding defenseman for the Bucs during the 83-84 and 84-85 seasons when he also served as team captain. He served last season as Assistant Coach. While Paul has accepted a full time job that will limit his coaching time, he has continued to be a very valuable factor in recruiting many of the players you are watching tonight.

Paul played his high school hockey in Roseau, MN. He and his wife Betsy have a daughter, Emily.

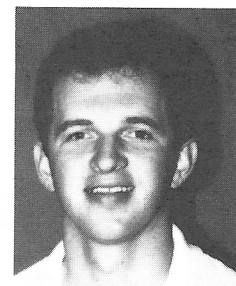

Marty Anderegg

Trainer

Marty, a native of Mason City, Iowa, is in his fourth season as the Buccaneer trainer. He earned a Bachelor's degree in Biology and Physical Education and a Master's degree in Secondary Administration from Drake University. He also served as trainer for the USHL All-Star Team at the Coupe Beard Tournament in April, 1988.

Marty is an N.A.T.A. certified athletic trainer & physical therapy aide at the Iowa Methodist Sports Medicine Centre. He, his wife and newborn son reside in Urbandale.

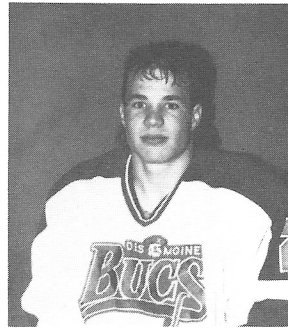

United Way
of Central Iowa

**Thanks to you...
it's working!**

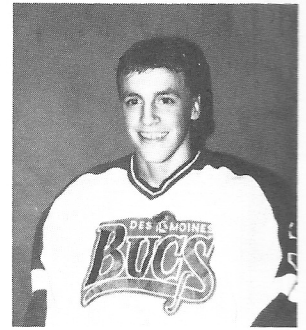

The Board of Directors of the Greater Des Moines Ice Sports Association wish to thank all of our supporters who generously designated a portion of their United Way contribution to support our programs here at the Arena. Each year many underprivileged children, as well as mentally or physically handicapped citizens enjoy skating on our indoor rink. This is another community service that we are happy to be able to provide to the people of Polk County.

If you know of an organization who would like to make use of our facilities, or if you'd like to know more how you can help support these efforts, please contact the Arena office at 278-9757.

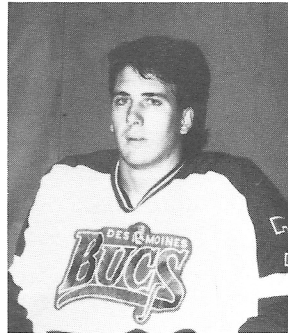

And, once again...thanks!
